Alliant Offers Matching Donation of \$4,000 to Rotary Lights

Alliant Energy has offered a \$4,000 matching donation to assist the Beaver Dam Rotary Club in providing Beaver Dam Swan Park with a camera system and wireless internet coverage. Alliant Energy would like to see others in the community come together to assist in this venture so we can better secure our park. As part of this effort, we will also be able to provide internet access to anyone inside the park. It is a great opportunity to help keep our park safe and hold those accountable who choose to damage or vandalize our park, as Beaver Dam Rotary Lights was victim to on December 4, 2019.

As a reminder, Interquest of Beaver Dam has offered to donate about \$30,000 toward the installation of a camera system in Swan Park, which will provide camera coverage and wireless internet, 365 days a year, for five years. Interquest is asking for Rotary to acquire \$10,000 additional to complete the project. In addition, United Electric of Clyman has offered to donate up to \$5,000 to install any electrical needs to help complete the project.

If you would like to assist in reaching the \$4,000 needed to match Alliant Energy's donation, please contact Sheriff Dale Schmidt (Chair of Beaver Dam Rotary Lights) or simply make a check out to "City of Beaver Dam" C/O Rotary Lights, 205 S. Lincoln Ave., Beaver Dam, WI 53916.

Thank you for supporting our community!
