Purposes for which the grants were awarded:

The Crime Prevention Funding Board elected to award two grants due to the need described in the applications received as well as the obvious need in the community that all members of the board are well aware of.

The purpose of the grant issued to 5-Stones of Beaver Dam was to provide various forms of awareness, education, prevention, networking and collaboration to fight the giant of sex trafficking in our area.

The purpose of the grant issued to C.A.R.E. for Dodge County was to provide assistance in funding treatment programs and training addiction recovery coaches. This funding is meant to assist those who are currently using drugs or are currently in recovery in being successful in completing the road to recovery.
