

WHAT IS NARCAN® NASAL SPRAY?

NARCAN® Nasal Spray is a prescription medicine used for the treatment of a known or suspected opioid overdose emergency with signs of breathing problems and severe sleepiness or not being able to respond.

NARCAN® Nasal Spray is to be given right away and does not take the place of emergency medical care. Get emergency medical help right away after giving the first dose of NARCAN® Nasal Spray, even if the person wakes up.

NARCAN® Nasal Spray is safe and effective in children for known or suspected opioid overdose.

DODGE COUNTY SHERIFF'S OFFICE NARCAN PROGRAM

The Dodge County Sheriff's Office offers a confidential NARCAN program to those being released from the Dodge County Jail. NARCAN has been credited for saving the lives of people suffering from a known or suspected opioid overdose.
