## Dodge County Races August 9, 2022 Partisan Primary Election

The Partisan Primary Election is an election for the nomination of a candidate to represent a political party in the November General Election. The Partisan Primary does not elect a candidate to an office. The candidate with the highest number of votes becomes nominated and is placed on the November Ballot for election.

**In the August Partisan Primary Election a voter may cast a ballot in the primary of only one political party. You may not cross over party lines. You must select a party and then cast a vote for individual candidates.**
