Drug Enforcement Unit Arrests

The Dodge County Sheriff's Office in conjunction with the other law enforcement agencies in Dodge County participating in the Drug Enforcement Unit have made several significant arrests in the drug community over the last two months. The other agencies who have signed on include the Beaver Dam, Waupun, Mayville, Horicon, Juneau, Lomira, Brownsville and Iron Ridge Police Departments. Our collaborative efforts and excellent teamwork have yielded outstanding results. Today, we would like to share with the public some of that great work. Unfortunately, we are not always able to share information on those arrested in drug cases, as drug cases often are complex and interwoven with other drug cases, which require confidentiality from public release. Of course, all individuals are innocent until proven guilty in a court of law.
