Imagine. Create. Connect. A place to escape and find your inner artist!

•*Imagine That! Art Studio is a place where all artists are welcome of all ages and skill level.*

We strive to work with people in every stage of life with an emphasis on all abilities. Our studio is a fun-filled place to explore and express your inner artist. Everyone who walks in the door is an artist and we are here to assist you on your artistic journey. We hope you feel right at home! It is our mission to facilitate meaningful art experiences while building authentic relationships through creative expressions.

•*We will accomplish this through ongoing program development, by designing purposeful art activities, using a variety of art mediums, and providing a safe place to explore and express as an artist.*
