Program Changes/Notes:

1. The open Case Manager position has been filled. He began in September and has successfully completed the required trainings to begin taking on participants. He will be the TAP case manager. The previous TAP case manager transitioned into DTC and IDC.
2. The IDC and DTC Case Managers attended the Addressing Stimulant Use in Wisconsin training in Madison put on by Richard Rawson and Albert Hasson. The training covered: Evidence-based Treatments for Individuals with Stimulant Use Disorder, treatment for individuals who use stimulants (TRUST) protocols and approaches, other evidence-based behavioral strategies, including Motivational Interviewing, Community Reinforcement Approach, Cognitive Behavioral Therapy and Physical Exercise. An Overview of Contingency Management: An Essential Treatment Approach for Individuals with Stimulant Use Disorder. As well as Critical Clinical Challenges: Recruitment, Engagement and Retention
3. Alisha Nelson and Bob Barrington presented on Drug Treatment Court and Impaired Driving Court at the Citizen's Academy on November 2nd.
4. The 2023 TAD grant application was submitted to the state. In it we outlined a request for additional funding to increase staff salaries and send more team members to the National and state conferences.
5. MRT (Moral Reconciliation Therapy) is going well and 9 individuals have completed it successfully. There are now an additional 7 participants engaged in programming.
6. The TAP census continues to be low with only 1 active participant. DTC referrals that are assessed lower risk/lower need have been recommended for TAP programming as a way to increase the census and adequately serve the population needs.
