

# Welcome to Harnischfeger County Park

- Groomed Winter Trails are open for all to hike, ski, and snowshoe.
- Please keep all foot/pet traffic to the side of ski tracks.
- Ski tracks will be set when snow conditions allow.
- Grooming will take place 1-2 times per week as conditions allow.
- All trails are two-way trails.
- Please share and enjoy the trails!!!!!!

## Trail Descriptions

**Orange Trail:** The orange trail will connect the Southern end of the park to the rest of the trails on the North end. Make your way through the campground on a short loop for a view of the Rock River.

**Green Trail:** Watch for eagles as you enter the marsh and head towards the Rock River. Connect up with the ungroomed trail shown in black on the South East corner for a nice river view all the way to the boardwalk.

**Red Trail:** Nice flat trail that includes both views of the farm fields and a wooded connector route to the green trail.

**Blue Trail:** You may find the hills a challenge on this trail but they are worth it with a nice view of the farm fields.

**Yellow Trail:** This trail winds its way through the grassy open area of the park. As you approach the woods you'll find ungroomed connections to the Eagles Boardwalk and Pond View Trail.

## Issues on the trails?

- Report any issues or trail concerns to our Parks Central Office
  - [parks@co.dodge.wi.us](mailto:parks@co.dodge.wi.us) or (920) 386-3700 x1

## Trail Conditions

- For updated trail conditions please visit
  - Online at [dodgeparks.com](http://dodgeparks.com)
  - Facebook at Dodge Cty-Parks & Trails

We hope you enjoy our trails. Check out Nitschke Mounds County Park and Ledge County Park for more Groomed Winter Trails.
