UPDATE 03-08-2024

Margaret Brozek, 77 years of age, of Beaver Dam, remains hospitalized with serious injuries as of March 8, 2024.

Ronald Vosberg, 57, of Stoughton, was treated and released for injuries that were not believed to be serious.

The crash remains under investigation.

SERIOUS INJURY CRASH

A 77-year-old Beaver Dam woman was seriously injured, and a 57-year-old Stoughton man received non-life-threatening injuries in a traffic crash on US Highway 151 at the intersection with County Highway DE, in the town of Calamus. This intersection is about two miles south of the city of Beaver Dam.

Shortly before noon on Thursday, March 7, 2024, the Dodge County Sheriff's Office received 911 calls of a two-vehicle crash at the intersection. The initial investigation showed the woman's vehicle was eastbound on County Highway DE, entered the intersection, and collided with the man's southbound vehicle. The woman was taken to a local hospital after being extricated from the vehicle. A medical helicopter met paramedics at the hospital to take her to a trauma center, with serious and possibly life-threatening injuries. The man was taken to the hospital for non-life-threatening injuries. The drivers were the only occupants of each vehicle.

The crash is under investigation by the Dodge County Sheriff's Office and our Crash Investigation Team. Also responding to the crash were the Beaver Dam Fire Department and Paramedics, Flight For Life, Johnnies 66 Towing, and 10-51 Towing.

Questions may be directed to Sheriff Dale J. Schmidt
