Drug Arrests

On Tuesday, April 23, 2024, a deputy with the Dodge County Sheriff's Office stopped a vehicle in the town of Burnett. The deputy observed suspicious behaviors from the vehicle occupants during the traffic stop. The deputy requested for a K9 Unit to respond to the scene. Deputy Anderson and K9 Bak with the Dodge County Sheriff's Office responded to assist in this investigation.

K9 Bak was deployed, and he positively alerted to the odor of illicit drugs coming from the motor vehicle. Deputies searched the motor vehicle, and they located a significant amount of cocaine, fentanyl, and drug paraphernalia. In total, two adults from Beaver Dam were arrested on the following charges.

Alan Douglas Jr., age 37: Possession with intent to deliver cocaine (> 5 < 15 grams), possession with intent to deliver fentanyl (< 10 grams), and possession of drug paraphernalia.

Amy Komppa, age 33: Possession with intent to deliver cocaine (> 5 < 15 grams), possession with intent to deliver fentanyl (< 10 grams), and possession of drug paraphernalia.

This incident highlights our agency's commitment to traffic safety and reducing drug trafficking. All persons are innocent until proven guilty in court, and additional information is available publicly as part of Wisconsin's Circuit Court Records.
