### **August 13, 2024, Partisan Primary Election**

The Partisan Primary Election is an election for the nomination of a candidate to represent a political party in the November General Election. The Partisan Primary does not elect a candidate to an office. The candidate with the highest number of votes becomes nominated and is placed on the November Ballot for election.

In the Partisan Primary:

- You may vote in only ONE party's primary
- If you choose a party, votes cast in that party will be counted. Votes cast in any other party will not be counted.
- If you do not choose a party, and you vote in more than one party, no votes will be counted.
