(Total 1 pages)

Notice to all firms:

This Addendum is issued to modify, change, delete from, add to, explain or correct the original Request for Bid and is hereby made a part of RFB #82 2024-06. In case of conflict between the Request for Bid and this Addendum, this Addendum shall govern. It is the bidder's responsibility to pass this addendum information to all involved in the bid.

Questions & Answers

Question 1: Is this RFQ for the prefabricated building only?

Answer: The RFB is for a prefabricated building only.

Question 2: Mainly asking because these buildings typically need a foundation. Is that to be included or is that being done by another contractor?

Answer: Foundation and related site preparation will be covered by a separate RFB.

Question 3: Are we to include sewer and water service to the building from somewhere

Answer: Water supply will come from the onsite pump house (approximately 255'). Building sewer will go to a new mound system (approximately 330'). This will be included in the mound system construction RFB which is a separate from this prefabricated building RFB.

Question 4: Are we to include electrical service to the building?

Answer: The building should come pre-wired. Electrical service connection will be addressed covered by a separate RFB.

Question 5: Are we to include excavation?

Answer: Excavation and related site preparation will be covered by a separate RFB.

Question 6: Are we to include any site improvements?

Answer: Site improvements will be covered by a separate RFB.
